30 October 2014

To the holders of ordinary shares and, for information purposes only, to the holders of warrants to subscribe for ordinary shares

Dear Shareholder

Notice of 9th Annual General Meeting Approval of the Directors' authority to allot equity securities for cash Approval of disapplication of pre-emption rights

As you will have seen from our Annual Report for 2014, our last financial year was a strong one and our performance reflects the execution of our strategy in that period.

Financial Growth

The Company has a strong growth profile, with a 44 per cent. return on contributed capital for the financial year ending 30 June 2014. The Company has an excellent track record in profitable growth.

Looking to the future we have a strong order book for ATR-72 aircraft and we continue to look to expand our fleet beyond the acquisition of turboprop aircraft, targeting jet passenger aircraft and our landmark deal with Thomas Cook for the sale and lease back of two new Airbus A321-200 jets demonstrates this initiative. This is a transaction which will add more than \$100 million in assets to our portfolio.

Sources of Finance

We continue to evaluate the mix of financing required to optimise the Company's capital structure. We have been successful in the last financial year in securing in excess of US\$120 million of new commercial debt funding from traditional aircraft financing banks and other institutional lenders.

However, equity funding from the issue of new share capital in the Company remains an important component of the Company's future growth. The Directors believe the Company has a proven track record in generating a return on contributed capital which, as noted above, was 44 per cent. in the last financial year. Accordingly, the Notice of AGM contains resolutions enabling the Directors to issue equity securities as described below. It is strongly recommended that Shareholders support these resolutions.

Resolution 8 will propose as an ordinary resolution to provide the Directors with authority to allot relevant securities (within the meaning of the Companies Act 2006 (the **CA 2006**)) up to an aggregate

nominal amount of £200,000, enabling the Directors to allot up to 20 million new ordinary shares which represents approximately 33 per cent. of the Company's issued and agreed to be issued share capital.

In order to provide the Directors with the power to allot equity securities (as defined by section 560 of the CA 2006) for cash without first offering those equity securities to Shareholders in accordance with section 561(1) of the CA 2006, Resolution 9 (which is subject to Resolution 8 being passed) will be proposed as a special resolution to provide the Directors with authority to allot equity securities as if section 561(1) of the CA 2006 did not apply to such allotments up to a maximum nominal amount of £120,000, being a maximum of 12 million new ordinary shares (not including employee share options or warrants which are dealt with below).

Recruitment and retention of management and staff

As the Company grows, the recruitment and retention of quality executives are key to underpinning the continued growth of the Company's business. The Company has adopted a remuneration policy with the following principles aimed to assist in attracting and retaining suitably skilled executives and staff:

The policy is designed so as to:

- provide a fair and transparent remuneration policy that is in alignment with Shareholders' return on investment and profits attributable to Shareholders;
- provide employees with both immediate and incentive remuneration that is sufficient to attract and retain employees within the current market;
- be consistent with market practices for listed companies;
- allow claw-back of incentives should events transpire to be adverse or the performance be found to have led to adverse circumstances for the Company; and
- always ensure an alignment between performance and compensation.

Part of the incentive mix will be the grant of options and/or warrants to members of staff, such grants to be overseen by the Company's Remuneration Committee.

Resolution 9 therefore further seeks to dis-apply pre-emption rights to enable Directors to grant options and/or warrants to subscribe for shares with a nominal value in aggregate of up to £30,000, representing 3 million new ordinary shares (representing approximately 5 per cent of the Company's issued and agreed to be issued share capital), in each case in accordance with the Company's remuneration policy and the employee share option scheme as adopted by the Directors from time to time.

Notice of Annual General Meeting

You will find set out on page 5 of this document, a notice convening the annual general meeting of the Company to be held at 510 Thomson Road, #12-04 SLF Building, Singapore 298135 on 24 November 2014 at 10.00 a.m. (UK time). Shareholders based in the United Kingdom are invited to attend a video conference of the meeting which will be held contemporaneously at the offices of Charles Russell Speechlys LLP at 6 New Street Square, London EC4A 3LX.

Action to be taken

You will find attached to this document a Form of Proxy for use by Shareholders at the AGM.

Whether or not you intend to be present at the AGM, you are requested to complete and return the Form of Proxy in accordance with the instructions printed thereon. To be valid, completed Forms of Proxy must be received by the Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY as soon as possible and in any event not later than 10.00 a.m. (UK time) on 22 November 2014. Completion of a Form of Proxy will not preclude you from attending the meeting and speaking and voting in person if you so choose.

Recommendation

The Directors consider that the passing of the resolutions is likely to promote the success of the Company and is in the best interests of the Company and its shareholders as a whole.

Accordingly, the Board unanimously recommends that Shareholders vote in favour of the resolutions to be proposed at the Annual General Meeting. Those Directors who hold shares intend to vote in favour of the resolutions in respect of their holdings of ordinary shares amounting at the date of this notice to 10,380,366 ordinary shares in aggregate (representing approximately 20 per cent. of the issued ordinary share capital of the Company as at the date of this document).

Yours faithfully

Robert Jeffries Chatfield
Executive Chairman

Resolution 4 - Re-Election of Robert Jeffries Chatfield as a Director

Robert Jeffries Chatfield, who retires in accordance with article 117 of the Company's articles of association and being eligible, offers himself for re-election.

Mr Chatfield is executive chairman of Avation PLC. Mr Chatfield has a track record of leadership in a variety of profitable and successful businesses. He is a qualified experienced public company director and business executive experienced in the fields of commercial airlines, aviation, aircraft leasing and finance, electronic commerce, investment management, radio and TV broadcasting. Mr Chatfield holds both a Masters Degree along with a Bachelors Degree from the University of Western Australia, where he graduated top of the class. He has been involved in a number of successful businesses both private and publicly held, the majority of which have been strongly cash flow generative. Mr Chatfield has a residence and office in Singapore. Mr Chatfield was most recently chairman of Skywest Airlines Ltd, a public company recently sold to Virgin Australia Holdings Ltd.

Resolution 5 - Re-Appointment of Auditors

The Company is required at each general meeting at which financial statements are laid to appoint auditors who will remain in office until the next general meeting at which financial statements are laid. Messrs Kingston Smith LLP have expressed their willingness to continue in office for a further year.

Resolution 6 - Remuneration of Auditors

In accordance with company law and good corporate governance practice, Shareholders are asked to authorise the directors to determine the auditors' remuneration.

Resolution 8 - Authority to Allot Shares (General)

This resolution would give the directors' authority to allot new shares. The authority, if approved, will expire on the date of the 2015 annual general meeting. The authority will allow the directors generally and unconditionally to allot shares in the Company and to grant rights to subscribe for or convert any security into shares in the Company up to an aggregate nominal amount of £200,000 (being approximately 33 per cent. of the Company's issued and agreed to be issued share capital) to such persons and at such times and on such terms as the directors think fit.

Resolution 9 – Disapplication of Pre-Emption Rights (General)

If the directors wish to allot new shares (and other equity securities), or sell treasury shares, for cash, the Companies Act 2006 requires that these shares are offered first to Shareholders in proportion to their existing holdings. These rights are known as pre-emption rights (**Pre-Emption Rights**). There may be occasions, however, when, in order to act in the best interests of the Company, the directors will need the flexibility to finance business opportunities by the issue of shares without a pre-emptive offer to existing Shareholders. This resolution would give the directors the power to allot shares for cash without first offering them to existing Shareholders in proportion to their existing holdings. The resolution would limit any allotment to an aggregate nominal amount of £120,000 in respect of non-pre-emptive offers, and to £30,000 in aggregate for the grant of options under the Company's employee share option scheme and/or the grant of warrants. In each case the disapplication of pre-emption rights would expire at the conclusion of the next annual general meeting.

Resolution 10 - Share Buy Back Mandate

This resolution seeks authority for the Company to make market purchases of its own ordinary shares. If passed, the resolution gives authority for the Company to purchase shares representing up to 15 per cent. of its ordinary shares in issue as at the date of the passing of the resolution (excluding treasury shares). The directors will only exercise the authority to purchase ordinary shares where they consider that such purchases will be in the best interests of Shareholders generally and will result in an increase in earnings per ordinary share.

Resolution 11 – Disapplication of Pre-emption Rights (Treasury Shares)

This resolution would give the directors the power to sell treasury shares for cash without first offering them to existing Shareholders in proportion to their existing holdings. The disapplication of pre-emption rights would expire at the conclusion of the next annual general meeting. The Company currently has 450,000 shares held in treasury.

Resolution 12 – Notice of General Meetings

This resolution seeks to enable the Company to call general meetings of its Shareholders on a shorter notice period of 14 days than the 21 day notice period that would otherwise apply.

PROCEDURAL NOTES TO NOTICE OF ANNUAL GENERAL MEETING

1. A member of the Company entitled to attend and vote at the AGM may appoint a proxy or proxies to attend and to speak and vote instead of him. A member may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not be a member of the Company.
2. The attached form of proxy for use at the AGM should be completed, signed and returned to the Company's registrars (the **Registrars**) at The Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom (if the form is posted outside the United Kingdom, you should return it in an envelope specifying "par avion" (airmail) using the Registrars' address above). It must arrive no later than 10:00 a.m. (UK time) on 22 November 2014. Completion and return of the form of proxy will not prevent a shareholder from subsequently attending the meeting and voting in person if they so wish.
3. To be effective, the instrument appointing a proxy, and any power of attorney or other authority under which it is signed (or a copy of any such authority certified notarially or in some other way approved by the directors), must be deposited with the Registrars at The Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom no later than 6:00 pm (UK time) on 22 November 2014 (or 10:00 a.m. (UK time) on the day two days prior to an adjourned meeting) or, in the case of a poll taken more than 48 hours after it is demanded, not less than 24 hours before the time appointed for the taking of the poll at which it is to be used.
4. In the case of joint holders, the vote of the senior who tenders the vote shall be accepted to the exclusion of the votes of the other joint holders and for this purpose, seniority shall be determined by the order in which the names stand in the Register of Members of the Company.
5. All members are entitled to attend and vote at the AGM and ask questions. Under section 319A of the CA 2006, the Company must answer any question you ask relating to the business being dealt with at the meeting unless: answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; the answer has already been given on a website in the form of an answer to a question; or it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
6. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, the Company has specified that to be entitled to attend and vote at the AGM (and for the purpose of determining the number of votes they may cast), members must be entered on the register of members of the Company by 10:00 a.m. (UK time) on 22 November 2014. If the meeting is adjourned then, to be so entitled, members must be entered on the register of members of the Company at 10.00 a.m. (UK time) on the day two days before the time fixed for the adjourned meeting, or, if the Company gives notice of the adjourned meeting, at any other time specified in that notice.
7. Under section 527 of the CA 2006, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the CA 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with section 527 or 528 of the CA 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
8. Any person to whom this notice is sent who is a person nominated under Section 146 of the CA 2006 to enjoy information rights (a **Nominated Person**) may, under an agreement between him and the member by whom he was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights. The statement of the rights of members in relation to the appointment of proxies in paragraph 1 above does not apply to Nominated Persons. The right described in that paragraph can only be exercised by members of the Company.
9. If the Chairman, as a result of any proxy appointments, is given discretion as to how the votes which are the subject of those proxies are cast and the voting rights in respect of those discretionary proxies, when added to the interests in the Company's securities already held by the Chairman, result in the

Chairman holding such number of voting rights that he has a notifiable obligation under the Disclosure and Transparency Rules, the Chairman will make the necessary notifications to the Company and the Financial Conduct Authority. As a result, any member holding 3 per cent. or more of the voting rights in the Company who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the Disclosure and Transparency Rules, need not make separate notification to the Company and the Financial Conduct Authority.

10. As at 29 October 2014 (the latest practicable date prior to the publication of this document), the Company's issued ordinary share capital consisted of 52,877,666 ordinary shares carrying one vote each, with 450,000 shares held in treasury. Therefore, the total number of voting rights in the Company as at 29 October 2014 was 52,427,666.
11. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
12. Shareholders and any proxies or representatives they appoint understand that by attending the meeting that they are expressly agreeing that they are willing to receive any communications, including communications relating to the Company's securities, made at the meeting.
13. The following documents will be available for inspection at 510 Thomson Road, #12-04 SLF Building, Singapore 298135 and at the offices of Charles Russell Speechlys LLP, 6 New Street Square, London EC4A 3LX from the date of this document until the end of the AGM:
 - (i) copies of the executive director's contract of employment; and
 - (ii) copies of the Chairman's contract of employment and the letters of appointment of non-executive directors.
14. A copy of this notice and other information required by section 311A of the CA 2006 is published on the Company's website at <http://www.avation.net/notices.html>.
15. Any document or information relating to proxies for the AGM may be sent to AGM2014@avation.net.
