## **For Immediate Release**

We are pleased and excited to announce the appointment of Mr Andrew Baudinette as the new CEO of Avation.net.

Andrew comes from a respected electronic media management and sales background and started today in the Singapore office. Whilst based in Singapore initially Andrew will be spending extensive time in the United States.

Andrew Baudinette has over 23 years experience in media sales and management having spent time working in the Broadcast, Magazine and Press industries in both metropolitan & regional Australian markets. As the promoter as National Radio Sales (partially owned by the three major regional Australian networks) Mr Baudinette developed a true national radio sales brokerage of over 50 radio stations encompassing every significant market in Australia.

Part of Andrew's role is to drive sales revenue to existing stations in addition to growing and further developing the Avation global network by creating strategic new business and licensing opportunities for the Company.

Mr Baudinette is to also manage a system upgrade to deliver new and exciting attritional types of commercials.
