NOTES TO THE PROXY FORM:

1. A member who is entitled to attend and vote at the meeting may appoint one or more proxies to exercise all or any of his rights to attend, speak and vote on his behalf at the meeting. A proxy need not be a member of the Company. A member may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member.

2. To be valid, a form of proxy for use at the meeting, together with the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such power or authority, must be deposited in hard copy form by post or courier or by hand at the Company's registrars, Computershare Investor Services plc, The Pavilions, Bridgwater Road, Bristol BS13 8AE, at least 48 hours before the time for holding the meeting.

3. Completion and return of a form of proxy will not preclude a shareholder from attending and voting at the meeting in person if he subsequently decides to do so.

4. The following principles shall apply in relation to the appointment of multiple proxies:

(a) the Company will give effect to the intentions of members and include votes wherever and to the fullest extent possible;

(b) where a proxy does not state the number of shares to which it applies (a "blank proxy") then, subject to the following principles where more than one proxy is appointed, that proxy is deemed to have been appointed in relation to the total number of shares registered in the name of the appointing member (the "member's entire holding"). In the event of a conflict between a blank proxy and a proxy which does state the number of shares to which it applies (a "specific proxy"), the specific proxy shall be counted first, regardless of the time it was sent or received (on the basis that as far as possible, the conflicting forms of proxy should be judged to be in respect of different shares) and remaining shares will be apportioned to the blank proxy (pro rata if there is more than one);

(c) where there is more than one proxy appointed and the total number of shares in respect of which proxies are appointed is no greater than the member's entire holding, it is assumed that proxies are appointed in relation to different shares, rather than that conflicting appointments have been made in relation to the same shares. That is, there is only assumed to be a conflict where the aggregate number of shares, in respect of which proxies have been appointed, exceeds the member's entire holding;

(d) when considering conflicting proxies, later proxies will prevail over earlier proxies, and which proxy is later will be determined on the basis of which proxy is last sent (or, if the Company is unable to determine which is last sent, last received). Proxies in the same envelope will be treated as sent and received at the same time, to minimise the number of conflicting proxies;

(e) if conflicting proxies are sent or received at the same time in respect of (or deemed to be in respect of) an entire holding, none of them shall be treated as valid;

(f) where the aggregate number of shares in respect of which proxies are appointed exceeds a member's entire holding and it is not possible to determine the order in which they were sent or received (or they were all sent or received at the same time), the number of votes attributed to each proxy will be reduced pro rata;

(g) where the application of paragraph (f) above gives rise to fractions of shares, such fractions will be rounded down;

(h) if a member appoints a proxy or proxies and then decides to attend the meeting in person and vote, on a poll, using his poll card, then the vote in person will override the proxy vote(s). If the vote in person is in respect of the member's entire holding then all proxy votes will be disregarded. If, however, the member votes at the meeting in respect of less than the member's entire holding, then if the member indicates on his polling card that all proxies are to be disregarded, that shall be the case; but if the member does not specifically revoke proxies, then the vote in person will be treated in the same way as if it were the last received proxy and earlier proxies will only be disregarded to the extent that to count them would result in the number of votes being cast exceeding the member's entire holding; and

(i) in relation to paragraph (h) above, in the event that a member does not specifically revoke proxies, it will not be possible for the Company to determine the intentions of the member in this regard. However, in light of the aim to include votes wherever and to the fullest extent possible, it will be assumed that earlier proxies should continue to apply to the fullest extent possible.

5. In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001, only those members entered on the Company's register of members not later than 10:00 am (GMT) on 18th December 2009 or, if the meeting is adjourned, shareholders entered on the Company's register of members not later than 48 hours before the time fixed for the adjourned meeting shall be entitled to attend and vote at the meeting.
