To the holders of ordinary shares

Notice of 16th Annual General Meeting
Approval of the directors' authority to allot equity securities for cash
Approval of disapplication of pre-emption rights

Dear Fellow Shareholder,

The year ended 30 June 2021 has been the most challenging in the Company's history. The COVID-19 pandemic persisted throughout the year disrupting airlines, aircraft leasing and aircraft valuations. These challenges have created a significant workload and I would like to thank Avation's employees, most of whom are also shareholders, for their commitment, focus and diligence during the period.

Avation's decision to preserve liquidity and cashflow ensured survival and allowed focus to be directed to maintenance of the business, customers and leasing platform which have been preserved as the impacts of the pandemic recede and air travel returns.

The prolonged impact of the pandemic has resulted in \$87.4 million in impairments to the value of the fleet and \$25.4 million for expected credit losses that dominate the financial results. An end to the pandemic appears to be in sight with the rollout of global vaccination programmes supporting a return to growth in passenger numbers. A return of air travel to pre-COVID levels may result in an increase in the value of aircraft that could reverse some of the impairments in future periods.

The disruption created by the COVID-19 pandemic is expected to recede following the successful rollout of global vaccination programmes that support a return to increased levels of air travel. This trend is already evidenced in regional and domestic travel and we expect will be followed by a recovery in international travel as we move through the remainder of the 2022 financial year.

The Company believes that airlines will require significant number of leased aircraft in the post pandemic phase due to the large number of older aircraft that have been retired and the impact of the pandemic on airline balance sheets, reducing their ability to purchase aircraft directly. This supports the Company's strategy of being focussed on relatively new and popular commercial aircraft types.

Avation is optimistic about the long-term opportunity for airline travel, particularly the turboprop and narrow-body aircraft sectors. The Company will position itself for a return to growth through opportunistic purchases and delivery of its orderbook in a post pandemic environment.

Sources of Finance

We continue to evaluate the mix of financing required to optimise the Company's capital structure. When appropriate, equity funding from the issue of new share capital in the Company remains an important component in funding the Company's growth. The directors believe the Company has a proven track record in generating a return on contributed capital. Accordingly, the Notice of AGM contains resolutions enabling the directors to issue equity securities as described below. It is recommended that Shareholders support these resolutions.

Resolution 6 will be proposed as an ordinary resolution to provide the directors with authority to allot relevant securities (within the meaning of the Companies Act 2006 (the **CA 2006**)) up to an aggregate nominal amount of £150,000 enabling the directors to allot up to 15 million new ordinary shares which represents approximately 20.9 per cent. of the Company's issued and agreed to be issued share capital.

In order to provide the directors with the power to allot equity securities (as defined by section 560 of the CA 2006) for cash without first offering those equity securities to Shareholders in accordance with section 561(1) of the CA 2006, Resolution 7 (which is subject to Resolution 6 being passed) will be proposed as a special resolution to provide the directors with authority to allot equity securities as if section 561(1) of the CA 2006 did not apply to such allotments up to a maximum nominal amount of £70,000, being a maximum of seven million new ordinary shares, which represents approximately 9.8 per cent. of the Company's issued and agreed to be issued share capital.

Since the last AGM, the Company has not issued any ordinary shares on the exercise of staff share warrants.

Use of Proceeds

The Directors confirm their intention that any cash raised by the Company from non-pre-emptive issues of equity securities pursuant to Resolution 7, should they occur, will be used to fund business matters such as:

- the purchase of aircraft, repayment of debt, general working capital; and
- the maintenance of adequate debt to equity ratios,

in each case, where the Board believes such transactions would be in the interests of the Company and its Shareholders. Detailed use of proceeds information would be provided in the context of any specific proposal to issue equity securities.

Recruitment and retention of management and staff

As the Company grows, the recruitment and retention of experienced executives are key to underpinning the continued growth of the Company's business. The Company has adopted a remuneration policy with the following principles aimed to assist in attracting and retaining suitably skilled executives and staff:

The policy is designed so as to:

- provide a fair and transparent remuneration policy that is in alignment with Shareholders' interests;
- provide both immediate and incentive remuneration that is sufficient to attract and retain employees within the current market;
- be consistent with market practices for listed companies;
- allow claw-back of incentives should previous performance be found to have led to future adverse circumstances for the Company; and
- ensure alignment between performance and compensation.

Part of the incentive mix will be the grant of options and/or warrants to members of staff, and such grants are overseen by the Company's board of directors.

Resolution 7 therefore further seeks to dis-apply pre-emption rights to enable directors to grant options and/or warrants to subscribe for shares with a nominal value in aggregate of up to £35,000, representing 3.5 million new ordinary shares (representing approximately 4.9 per cent. of the Company's issued and agreed to be issued share capital), in each case in accordance with the Company's remuneration policy and any employee share option scheme as adopted by the directors from time to time.

Notice of Annual General Meeting

You will find set out on page 5 of this document, a notice convening the annual general meeting of the Company to be held at 65 Kampong Bahru Road, Singapore 169370 on **1 December 2021** at 9.00 a.m. (UK time). Shareholders based in the United Kingdom are invited to attend a video conference of the meeting, which will be held contemporaneously at the offices of Charles Russell Speechlys LLP at 5 Fleet Place, London EC4M 7RD.

Action to be taken

You will find attached to this document a Form of Proxy for use by Shareholders at the AGM. Whether or not you intend to be present at the AGM, you are requested to complete and return the Form of Proxy in accordance with the instructions printed thereon. To be valid, completed Forms of Proxy must be received by the Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY as soon as possible and in any event not later than 9.00 a.m. (UK time) on 29 November 2021. Completion of a Form of Proxy will not preclude you from attending the meeting and speaking and voting in person if you so choose.

Recommendation

The directors consider that the passing of the resolutions is likely to promote the success of the Company and is in the best interests of the Company and its Shareholders as a whole.

Accordingly, the Board unanimously recommends that Shareholders vote in favour of the resolutions to be proposed at the Annual General Meeting. Those directors who hold shares intend to vote in favour of the resolutions in respect of their holdings of ordinary shares amounting at the date of this notice to 12,926,667 ordinary shares in aggregate (representing approximately 18 per cent. of the issued ordinary share capital of the Company as at the date of this document).

Yours faithfully

Robert Jeffries Chatfield
Executive Chairman

EXPLANATORY NOTES TO THE PROPOSED RESOLUTIONS

Resolution 1 – Report and Accounts

The directors are required by company law to present the financial statements, the directors' report and the auditors' report on the financial statements to the meeting.

Resolution 2 – Remuneration Report

Shareholders are asked to approve the remuneration report, which is set out at pages 19 to 28 of the 2021 annual report of the Company.

Resolution 3 – Re-Election of Roderick Douglas Mahoney as Director

Mr. Mahoney was a fleet planning and aircraft procurement consultant to the Group and has previously been a project advisor to a variety of Asia-Pacific airlines, suppliers and other aviation businesses, including Virgin Blue and V Australia. Before that, he held various senior executive positions at Airbus for 23 years, largely within the sales divisions covering Europe and Africa, China and the Pacific. He holds a Bachelor of Science Degree in Aeronautical Engineering, a Masters in Air Transport and a Masters of Applied Finance. Mr. Mahoney holds dual citizenship of the United Kingdom and Australia and resides in Singapore. Mr. Mahoney is a Graduate Member of the Australian Institute of Company Directors and a member of the Singapore Institute of Directors.

Resolution 4 – Re-appointment of Auditors

The Company is required at each general meeting at which financial statements are laid to appoint auditors who will remain in office until the next general meeting at which financial statements are laid. Messrs Ernst & Young have expressed their willingness to be appointed as auditor for the coming year.

Resolution 5 – Remuneration of Auditors

In accordance with company law and good corporate governance practice, Shareholders are asked to authorise the directors to determine the auditors' remuneration.

Resolution 6 – Authority to Allot Shares (General)

This resolution would give the directors' authority to allot new shares. The authority, if approved, will expire on the date of the Company's annual general meeting held in 2022. The authority will allow the directors generally and unconditionally to allot shares in the Company and to grant rights to subscribe for or convert any security into shares in the Company up to an aggregate nominal amount of £150,000, enabling the directors to allot up to 15 million new ordinary shares which represents approximately 20.9 per cent. of the Company's issued and agreed to be issued share capital to such persons and at such times and on such terms as the directors think fit.

Resolution 7 – Disapplication of Pre-emption Rights (General)

If the directors wish to allot new shares (and other equity securities), or sell treasury shares, for cash, the Companies Act 2006 requires that these shares are offered first to Shareholders in proportion to their existing holdings. These rights are known as pre-emption rights (**Pre-emption Rights**). There may be occasions, however, when, in order to act in the best interests of the Company, the directors will need the flexibility to finance business opportunities by the issue of shares without a pre-emptive offer to existing Shareholders. This resolution would give the directors the power to allot shares for cash without first offering them to existing Shareholders in proportion to their existing holdings. The resolution would limit any allotment in respect of non pre-emptive offers to an aggregate nominal amount of £70,000 equal to seven million ordinary shares, representing approximately 9.8 per cent. of the issued and agreed to be issued share capital. The disapplication of pre-emption rights would expire at the conclusion of the next annual general meeting.

Resolution 8 – Share Buy Back Mandate

This resolution seeks authority for the Company to make market purchases of its own ordinary shares. If passed, the resolution gives authority for the Company to purchase shares representing up to 30 per cent. of its ordinary shares in issue as at the date of the passing of the resolution (excluding treasury shares). The directors will only exercise the authority to purchase ordinary shares where they consider that such purchases will be in the best interests of Shareholders generally and will result in an increase in earnings per ordinary share.

Resolution 9 – Disapplication of Pre-emption Rights (Treasury Shares)

This resolution would give the directors the power to sell treasury shares for cash without first offering them to existing Shareholders in proportion to their existing holdings. The disapplication of pre-emption rights would expire at the conclusion of the next annual general meeting. In accordance with Listing Rule 9.5.10, the Company does not intend to sell treasury shares at a discount of more than 10 per cent. to the middle market price of those shares at the time of announcing the terms of the sale.

Resolution 10 – Temporary Suspension of Restrictions on Borrowing in Articles of Association

Due to the impacts of the COVID-19 pandemic on the fleet valuation and the impairments the Company has had to make in its financial statements, there is a risk that before aircraft valuations begin to recover the Company may run out of headroom in relation to its current restrictions on borrowing. These restrictions are currently provided in article 102 of the articles of association of the Company and restrict the Company's Consolidated Net Debt from exceeding five times Total Equity (such capitalised terms being defined in article 102.3). The Company's banking facilities typically have more restrictive covenants relating to this metric. However, for the same reasons, the Company has sought and obtained waivers of these covenants from its banks and accordingly similar dispensation is sought from shareholders to cover the next year. The suspension would only apply until the following annual general meeting of the Company at which point the current restrictions would be reinstated or a new suspension would be sought. Article 102.3 provides that the restriction can be waived by way of ordinary resolution.

PROCEDURAL NOTES TO NOTICE OF ANNUAL GENERAL MEETING

1. A member of the Company entitled to attend and vote at the AGM may appoint a proxy or proxies to attend and to speak and vote instead of him. A member may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not be a member of the Company.
2. The attached form of proxy for use at the AGM should be completed, signed and returned to the Company's registrars (the **Registrars**) at The Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom (if the form is posted outside the United Kingdom, you should return it in an envelope specifying "par avion" (airmail) using the Registrars' address above). It must arrive no later than 9.00 a.m. (UK time) on 29 November 2021. Completion and return of the form of proxy will not prevent a shareholder from subsequently attending the meeting and voting in person if they so wish.
3. To be effective, the instrument appointing a proxy, and any power of attorney or other authority under which it is signed (or a copy of any such authority certified notarially or in some other way approved by the directors), must be deposited with the Registrars at The Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom no later than 9.00 a.m. (UK time) on 29 November 2021 (or 9.00 a.m. (UK time) on the day two days prior to an adjourned meeting) or, in the case of a poll taken more than 48 hours after it is demanded, not less than 24 hours before the time appointed for the taking of the poll at which it is to be used.
4. In the case of joint holders, the vote of the senior who tenders the vote shall be accepted to the exclusion of the votes of the other joint holders and for this purpose, seniority shall be determined by the order in which the names stand in the Register of Members of the Company.
5. All members are entitled to attend and vote at the AGM and ask questions. Under section 319A of the Companies Act 2006 (**CA 2006**), the Company must answer any question you ask relating to the business being dealt with at the meeting unless: answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; the answer has already been given on a website in the form of an answer to a question; or it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
6. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, the Company has specified that to be entitled to attend and vote at the AGM (and for the purpose of determining the number of votes they may cast), members must be entered on the register of members of the Company by 6.00 p.m. (UK time) on 29 November 2021. If the meeting is adjourned then, to be so entitled, members must be entered on the register of members of the Company at 6.00 p.m. (UK time) on the day two days before the time fixed for the adjourned meeting, or, if the Company gives notice of the adjourned meeting, at any other time specified in that notice.
7. Under section 527 of the CA 2006, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the CA 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with section 527 or 528 of the CA 2006. Where the Company is required to place a statement on a website under section 527 of the CA 2006, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the CA 2006 to publish on a website.

8. Any person to whom this notice is sent who is a person nominated under Section 146 of the CA 2006 to enjoy information rights (a **Nominated Person**) may, under an agreement between him and the member by whom he was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights. The statement of the rights of members in relation to the appointment of proxies in paragraph 1 above does not apply to Nominated Persons. The right described in that paragraph can only be exercised by members of the Company.
9. If the Chairman, as a result of any proxy appointments, is given discretion as to how the votes which are the subject of those proxies are cast and the voting rights in respect of those discretionary proxies, when added to the interests in the Company's securities already held by the Chairman, result in the Chairman holding such number of voting rights that he has a notifiable obligation under the Disclosure Guidance and Transparency Rules, the Chairman will make the necessary notifications to the Company and the Financial Conduct Authority. As a result, any member holding 3 per cent. or more of the voting rights in the Company who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the Disclosure Guidance and Transparency Rules, need not make separate notification to the Company and the Financial Conduct Authority.
10. As at 4 November 2021 (the latest practicable date prior to the publication of this document), the Company's issued ordinary share capital consisted of 71,698,124 ordinary shares. As at that date the Company held 2,210,000 ordinary shares in treasury. Treasury shares are not taken into consideration in relation to the payment of dividends and voting at shareholder meetings. Accordingly, there are a total of 69,488,124 voting rights available for the purpose of calculating shareholders' percentage of voting rights.
11. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
12. Shareholders and any proxies or corporate representatives they appoint understand that by attending the meeting that they are expressly agreeing that they are willing to receive any communications, including communications relating to the Company's securities, made at the meeting.
13. The following documents will be available for inspection at 65 Kampong Bahru Road, Singapore 169370 and at the offices of Charles Russell Speechlys LLP, 5 Fleet Place, London EC4M 7RD, UK from the date of this document until the end of the AGM:

15. Any document or information relating to proxies for the AGM may be sent to AGM@avation.net. You may not use any electronic address provided in this document to communicate with the Company for any purposes other than those expressly stated
