WARRANT GRANT AND DIRECTORS’ DEALING

Avation PLC (LSE: AVAP), the commercial passenger aircraft leasing company advises that 620,000 share warrants have been granted to directors and other employees of the Company as set out below.

The grant of warrants is pursuant to the authorities and powers given by shareholders at the Company's last annual general meeting. The warrants have been granted subject to the Company's Remuneration Policy as long-term incentives. The warrants were granted by the board at an exercise price of 118 pence per share, and each warrant grant is on terms that one third of the warrants will vest at the end of each of the first three years from the date of grant but subject always to clawback under the terms of the Company's Remuneration Policy. The warrants are otherwise granted on customary terms for employee share remuneration.

Details of the warrants granted to directors of the Company are as follows:
